

# Recover your lost users/sales/leads using AI

ReOptimize enables businesses to reduce their CAC by recovering their leads

Email address

Join Beta

Backed by YCOMBINATOR

Re-engaging your lost users is 40x cheaper than acquiring new ones

4:1

CLTV-CAC ratio

3-5x

Increase in CLTV

50+%

More re-engagement

## How to ReOptimize

1. Choose your Data Source

Upload a CSV with your Contacts or connect your favorite CRM

2. Select Your Objective

Aquí la idea es seleccionar el tipo de campaña que quiere hacer: fidelizar, re-engage, etc..y generar templates

3. Customize

4. Launch

Configuración de la campaña, incluso podríamos permitir edición avanzada en el flow builder

Gif explicando el paso
